# MODULE COMMAND

Man's greatest scientific achievement is recreated in 1/32 scale. It's Monogram's model kit of the actual Apollo spacecraft that carried men to the moon.

The vehicle's large transparent windows reveal all the interior details of the two main stages.

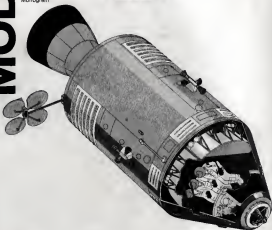

The Command Module, control center for the spacecraft, is authentic in every respect. From the instrument panels to the three NASA astronauts inside.

Supporting the Command Module and crew is the Service Module. With its three fuel cells. Hydrogen and oxygen tanks. Reaction control engines. And a detachable antihydrogenated jetison just before earth re-entry.

Capture the world of man in outer space. With the Apollo Spacecraft Command and Service Module. By Monogram.

AS IT WAS  
FADING  
OUT!

THERE IS  
SOMETHING--

A TINY ANCHORPOINT IN ITS  
INFINITE CENTER IS  
ENLARGED BY MILLIONS--  
AND A FANTASTIC IMAGE  
IS REVEALED!

SUPER-SONIC  
EXTREME!

JONNY--NOW

ENTIRE STORY--  
STEP BY  
STEP--

~FROM THE  
BEGINNING!

MAY BEY!  
EVEN AS  
A LIE--THIS  
'YARN WOULD  
BE A WHIFFER?

AS CLARK KENT LISTENS--  
IT IS SUPERMAN WHO SMILES  
TO DREAM--AND HOPE--

WHAT THE  
FACED ARE!

CLARK KENT!

THIS IS SUPERMAN'S  
WORK!--BECAUSE IT'S  
SUPERMAN'S DREAM!

--THE  
ONLY WAY  
TO FIND  
SUPERMAN--

--TO FIND  
THOSE  
KIDS!

--THEY WERE  
HEADED FOR  
THE CITY--AND I  
DO KNOW FROM  
WHAT DIRECTION!

LIKE A SUPERSONIC  
ARROW, SUPERMAN  
FLASHED ACROSS THE  
SKY IN PURSUIT OF  
WHAT COULD BE A HILL-  
OF-THUNDER--OR THE END  
OF ALL THINGS!

BUT AS SUPERMAN STREAKS ACROSS THE SKY, HE PAYS NO ATTENTION TO THE HELICOPTER ON A SIMILAR COURSE...

LOAN!—OUT THERE!

SUPERMAN! I CAN'T THINK OF A MORE UNWELCOME GUEST!

HE COULD BE A THREAT TO OUR MISSION—

BUT HE PRECISELY SEEMED TO SUSPECT!

INTER-GANG TO BARNESE? WE HAVE UNEXPECTED COMPANY—SUPERMAN!

HE IS A BARRIER! USE YOUR WEATHER!

I DON'T WANT HIM! BARNESE!

BUT CAN THESE STORM-DEMS DO THE JOB—? YOU KNOW OF HIS POWERS!

STAY HIM! IF YOU CAN! THAT WILL BE ENOUGH! NOW, PISTOLS ARE NO FURTHER!

WHEN BARNESE GIVES AN ORDER, IT MUST BE OBEYED! INTER-GANG IS ONLY SMALL AFFLES IN THE CRIME EMPIRE HE'S BUILDING!

THERE'S MORE TO BARNESE THAN THAT! HE MAKES ME BELIEVE THAT DRAGON IS ALIVE AND WELL IN TRANSYLVANIA!

SUPERMAN HAS SPOTTED THE KIPS!

THIS IS IT! ZERO IN ON HIM—AND DON'T MISS!

MEANWHILE, SUPERMAN IS TOTALLY ABSORBED  
IN HIS SEARCH...

THREE--IN THAT  
ABANDONED  
JUNKYARD--  
IN THE  
DISTANCE--

IT COULD  
BE THEM!

ARE YOU  
GUYS?  
FRIENDS!  
WE'VE GOT  
ANOTHER  
VOLUNTEER  
FROM  
SUPERMAN!

HE MAY  
BE A  
VOLUNTEER  
FOR  
ANYTHING!

WE'LL SOON  
FIND OUT!

SUPERMAN IS STRUCK HARD BY A SERIES OF  
SYNCHA-BLASTS, AND ROLLS TO AVOID  
CONTACT WITH THIS UNKNOWN EXPLOSIVE!

IT WOULDN'T BE  
FOUL TO ASK  
A  
QUESTIONS FROM  
SECRET  
ARMED!

WITH SUPERSONIC SPEED, SUPERMAN CREATES A JETSTREAM TOWARD HIM INSTANTANEOUSLY DISPERSES THE POISON GAS...

THIS MAY CAUSE SOME SLIGHT DAMAGE--BUT IT WILL SAVE LIVES!

BUT THERE ARE NEW SURPRISE WAYNS!

HAHAHA!--REACHING FOR ME!--I'M MOVING TOO FAST TO ESCAPE THEM!

WE'LL TEACH YOU NOT TO DEFEY DARKNESS!

THE MOST ADVANTAGE TO DARKNESS ARE HIS SHAY-DUNKS!

YIKKA--WE'RE ALIVE--BUT STILL IN TROUBLE!

I SEE THEM, TOO!

SAVE THE MONKS! CHIEF! THIS ONE HAS THE RIGHT TO MOVE A MOUNTAIN--

BUT IT SHALL NOT AVAL RUL! DARKNESS CHOSE US HERE!

Another big month is upon us, with some real landmarks in DC history. You've been sold in your praise of Jack Kirby's work on Jimmy Olsen. Well, this month, you'll see the appearance of two (count 'em) new mags, edited, written and illustrated by Jarrett Jack! That's right—and in these fantastic first issues, you'll learn more about the mysterious and evil Darkseid, his origin, and . . . but let's take the magic one at a time!

**THE FOREVER PEOPLE** blast their way to Earth and into the DC line on Dec. 1, when their issue #1 (March) hits the stands! They've come to battle Darkseid, on their Super-Cycle—there's Mark Moonrider, Vixen the Black, Big Bear, Serifen and Beautiful Dreamer! They've come through the fantastic Boom-Tube from Supertown. They have the amazing Mother Box with them (who—or what—is that) and they meet Superman. But even he has problems with Darkseid's minions until the Infinity Man shows, and then—but you'd better get the mag! This you gotta see!

And after that one, grab **THE NEW GODS** and find out where Darkseid and company came from! Ever see a comic that starts with an Epilogue and ends with a Prologue? This one does just that! You'll see the death of the Old Gods of a planet that has since become two—New Genesis and Apokolips! Meet the heroes of New Genesis: Orion, Metron and Light-ning—plus High-Father and the mysterious Source! Orion has a mission on Apokolips . . . to rescue some of Darkseid's captives. Then . . . on to Earth! This March #1 (#1) is on sale Dec. 22, so be on the lookout! Never has Kirby been greater!

**HOUSE OF SECRETS** goes futuristic in its March issue (#200)! It seems our pal Neal has a visitor—none other than a story-telling computer! So the two sit around spinning some far-but future yarns! There's "The Symphonies" (a definition will be included), a tale by Mary Wollman, penciled by Rich Buckler and asked by Neal Adams—all about a planetary prison. There's "Jedediah," script by Mike Friedrich, art by Gray Morrow. And there's "The Ostrich Dome," a story of a mystery menace that keeps people from leaving their domed city—written by Steve Skrotes, drawn by George Tuska! You can get this one Dec. 1!

**ISSUE 290 of WORLD'S FINEST** is here! And it stars Superman and Robin—in their last adventure without the Batmen! For this one, Julie Schwartz went right to the Robin expert—Mike Friedrich, who's been scripting the tales of the Teen Wonder! It's Mike's first WF story, and it's a doozy—titled "Prisoners of the Immortal World!" I know—I saw the script! But don't expect me to give away the plot! Get this February ish on Dec. 18 and read it yourself!

Which reminds me—Mike Friedrich also scripted the February **JUSTICE LEAGUE OF AMERICA** (#277). The boy has been busy during his summer vacation from the University of Santa Clara! Anyway, this time Zatanna, the lovely daughter of Zatara the Magician, makes the scene again, in a tale entitled "Batman—King of the World!" Naturally, the rest of the JLA will be on hand in this saga of sorcery and suspense! Since you won't want to let this one slip by you, better make plans to get it on Dec. 18!

# a visit with JACK KIRBY

by Marvin Wolfman

X-119

Approximately four years ago, just before selling our first scripts to National, fellow writer Len Wein and myself, Mary Wolfman, went to visit the home of Jack (The King) Kirby. We had both been fans of his for many years, following him through such creations as Boy's Ranch, Bullseye, Changers of the Unknown, Green Arrow, and his work at Marvel Comics.

We walked down the stairs to his den looking at the framed copies of his early comic book covers that lined the paneled walls. On another wall stood a collage that was at least eight feet long by three feet wide. For Jack it was simply an exercise in design in which he took commonplace photographs from magazines and arranged them interestingly on a cardboard surface. For us it was the most beautifully composed, incredibly arranged and the most mind-staggering creation we had ever seen.

We walked into his art room, and there, sitting by a small drawing board was Jack. His cigar placed carefully in an ashtray, Jack greeted us and asked we sit down. He was working on a page for one of the books and would have to speak with us while drawing. As we spoke, we looked about the room and saw that it was lined with bookshelves, in every cranny space were comic-mad science fiction books, magazines, and anything else that could fit.

We mentioned to Jack that we had just created this new character that we thought was very original in concept. He asked us what it was about, and we gave him a very rough idea. Jack thought for a moment and then began telling us about the character. That's right, he was telling us about a character that we had created, and he was telling us things we never realized could be

done. As he was drawing on paper one magnificent scene after another, he was creating visual images of what our creation could be like. It was absolutely amazing. He knew more also of the character than we did.

And that is the secret behind Jack Kirby. Whereas most creators will take a character and do the obvious things with him, Jack will take an idea and stretch it for everything that can possibly come out of it. When he does something, it is not a half way measure . . . he goes all the way, leaving nothing untouched. If Jack leaves a strip, there is no way that anyone could follow him, for he has said it all. You can only stand in awe of what he does, wonder how he does it, and just hope that someday you might be able to do half as well as he can.

Jack's imagination is not just Earthbound. The universe itself is his to play with. Time and space bend under his will. Whatever can be conceived, is. If there is an explosion, you just don't see an explosion, you see the universe itself shattering at the seams; you watch raw energy strained to the utmost. The imagination of Jack Kirby has no boundaries, no limits. Nothing is too blague to be tried, nothing is too incredible to be conceived. A wise man once said that when man eventually reaches the far end of the universe, he will undoubtedly find the name Jack Kirby signed on the lower right hand corner.

So there we were, the two of us, sitting in Jack's den, and he was telling us more about something we created that we could possibly ever conceive. And then he told us, almost four years ago, of ideas that he someday wanted to try . . . to try when he had the freedom to experiment. There was one idea about a mountain that would be moved across the country, and it was to be called the Mountain of Judgment. And living inside the mountain was to be a group called the Horvyn. When Jack made his move back to National, he brought this concept with him, and it is appearing in Jimmy Olsen comic.

He then told us about an idea of how to create people out of coils. This, too, will appear in Jimmy Olsen. And he told us other ideas. Ideas that were so incredible, so mind-staggering, that we could not wait to see how they would eventually be handled. And wait we did, for four long years. Four years thinking that we would never see them printed. But then Jack came back to National, and he brought these ideas with him . . . ideas that he had fully developed in the guise of THE FOREVER PEOPLE, THE NEW GODS, and MR. MIRACLE.

There is an entire world of imagination awaiting you in the pages of these books. What Jack has done is create a new mythology for our times. These three books comprise a trilogy which, along with Jimmy Olsen, form one huge, continuing novel . . . the likes of which have never been seen. And all this is the product of one man acting as Editor, Writer, and Artist . . . Jack Kirby.
